PRESS RELEASE

February 14, 2017

CANADA STRATEGIC METALS EXERCISES ITS OPTION TO ACQUIRE AN ADDITIONAL 20% OF THE SAKAMI GOLD PROJECT

Montreal, Quebec – February 14, 2017 – Canada Strategic Metals Inc. (“Strategic Metals” or “the Company”) (TSX.V: CJC; FSE: YXEN; OTC-BB: CJCFF) and **Matamec Explorations Inc.** (TSX-V: MAT, OTC-QX: MHREF) are pleased to announce that Strategic Metals will exercise its option to acquire an additional 20% interest in the expanded Sakami property. The Company already owns a 50% interest in the property, and can now increase its ownership to 70%, if it meets certain obligations laid out in the option agreement.

In order to acquire this additional 20 % interest in the expanded Sakami property, Strategic Metals will have to issue 1,000,000 common shares to Matamec and complete a bankable independent feasibility study within five (5) years of the date on which its option has been exercised. During this period, Strategic Metals will have to spend at least \$2,000,000 in exploration before the end of each year up to the completion of the bankable, independent feasibility study.

ABOUT CANADA STRATEGIC METALS

Canada Strategic Metals is an emerging company focused on the exploration and development of a number of projects in Quebec. With broad management experience in green technology and junior resource exploration and development, Canada Strategic Metals is well positioned to aggressively advance this promising property portfolio for its shareholders.
