Gold Explorer in the James Bay Region, Quebec

QUEBEC PRECIOUS METALS CORPORATION IS A NEW MINERAL EXPLORATION COMPANY FOCUSED ON GOLD IN THE JAMES BAY REGION OF QUEBEC

- Gold consolidation strategy **combining gold assets from three companies** listed on the TSX Venture.
- **Highly prospective land package** (900 km²) located in new gold mining camp.
- **Flagship project: Sakami** – ongoing drilling program, significant grades and well-defined drill-ready targets, to advance rapidly to the mineral resource estimate stage.
- **Strategic investor, Goldcorp inc.** (holds 14%), who operates the Éléonore gold mine, one of Quebec's largest gold mines, and located in the same mining district.
- **Proven management team and board** with access to capital.

Strategy

- Review fall drilling results on Sakami and plan program **(Q1 2019)**.
- Drill on Sakami for resource estimate and other targets **(Q1-Q3 2019)**.
- Prepare Sakami mineral resource estimate **(Q2-Q4 2019)**.
- Ongoing - Monetize non-core assets.
- Ongoing – Open to more advanced stage gold projects for acquisition.

Sakami Project

- **Year round access** and drilling.
- Underexplored area hosting the **Éléonore gold mine** along strike.
- 23 km along the contact between sediments and volcanics between **La Grande and Opinaca** Sub-provinces.
- Monetize non-core assets **(2019)**.

Sakami Project La Pointe target deposit

- Early 2000s - mineralization discovered at surface near Sakami Lake
- Until 2018 - 25,000 of drilling over 800 m length, down-plunge from surface to 550 m, open in all directions.
